Dear Mr. King:

Thank you! On behalf of myself, the Oklahoma State Senate and the citizens of Garfield County, you are to be commended for your recent participation in the leadership program, Operation SchoolNet.

Your efforts will allow the Internet into many classrooms throughout the Enid area, allowing students to fully capitalize on the educational benefits available through the Internet.

You are a great asset to our State and I personally want to commend you for your efforts.

If I may ever assist in the future, please feel free to contact my office.

Sincerely,

A handwritten signature in black ink that reads "Robert Milacek".
